## *Praying Effective Prayers for Your Adult Children*

You raised this kid and he/she might test the bounds, but somewhere in their minds is all the sayings you had. When they go somewhere they know they shouldn't be, they hear your voice.

Here is a list of favorite topics of prayers for big babies (I meant to say that because they will always be our 'babies'!)

- Ask their heart to be set on Christ. Salvation is the number one prayer for any child who might be on the fence.
- Pray for their safety. Ask the Lord to send His angels to surround them.
- Pray that if they do wrong, they are found out. Consequences are a great teacher.
- Pray they remember who they are, a child of God. They are worthy, valuable, and precious in His eyes.
- Pray God's will over their life. Allow God to take the wheel.
- Pray in the dark of night they feel God's presence reassuring them.
- Pray for their relationships to be fruitful ones. Friends who help them grow. Friends or other relationships that foster their faith.
- Pray for the Holy Spirit to bring strong conviction and guidance.
- Ask for them to have wisdom and discernment.
- Pray their dating relationships draw them closer to God and God's will.
- Pray for their future spouse and their relationship to Christ.
- Pray that they know and feel the love of God.
